

## How to Prepare for Placement in 4 Months [ Roadmap + Free Resources ]

First I have Shared Roadmap and then Resources Below :

---

1 / Learn a Programming Language : C++ or Java [ are Preferred ] [ 14 Days ]

---

2 / Start Solving DSA Problem :

There are 1000+ DSA problem but to make your Work easy , people have created DSA sheet in which there are problems which are repeatedly asked in Interview by top companies

You can Follow [Raj Vikramaditya](#) [ Striver DSA Sheet ]

**How to Prepare** : Take a Topic Example Array -> understand its concept from videos -> Take a Problem start solving it

Are you Stuck -> go and See the solution -> Repeat

I have Shared DSA playlist Topicwise Below

DSA may take 60 - 75 Days if you give your 100% but for some people it takes longer too

**Bonus** : To build Confident in DSA start giving Contest : on [LeetCode](#) / [HackerRank](#) Rank / [Coding Ninjas](#) / [GeeksforGeeks](#) and others

Also make your own handmade Notes so you don't forget and keep revising it

---

3 / Start Building Project [ Please Don't buy it ] + Practice Aptitude :

Everyone don't have working experience like internship but we can make project to demonstrate our skills

Choose any technology which you like and create full stack project on it  
Also you must know to explain How your project works

**Practice Daily Aptitude for 1 hours for 30 - 40 Days**

Watch Videos -> Solve Practice Problem -> Give Mock Test

**4 / Theory Subject Required to Crack Interview :** Core concept of 4 Subject will be asked in your Interview

- Operating System
- Object Oriented Programming
- Computer Network
- Database and Management System

You can prepare this from [InterviewBit](#) Interview Questions [ Link Share Below ]

Time Required 15 Days are Enough

You are almost ready for Placement

Some Extra Things You must do

- Create a Resume and Update your LinkedIn Profile
- Start Applying for Jobs but Send Different Resume according to Job Description

**Final Message :** Don't Give up I know you have alot of pressure -> sabki job lag gai and apna kuch nahi ho raha -> ho jayenga bhai
